

Unified Disposal Board

Hill County Courthouse • Havre, Montana 59501 • (406)265-5481 Ext. 2310

The Unified Disposal Board is advertising for a full-time employee. The job description is as follows:

EQUIPMENT OPERATOR/TRUCK DRIVER

The employee will be able to drive, operate, and maintain vehicles and equipment used in the collection and disposal of refuse generated within the Unified Disposal Board Regional Landfill Districts.

The employee must operate and possess a current Montana Department of Transportation Class A, Type 2, plus air brakes endorsement (minimum) driver's license. The employee must have welding and mechanical skills to fulfill Unified Disposals maintenance program. The employee must possess telephone, 2 way traffic radio and verbal communication skills. The employee must be able to complete maintenance and daily activity forms and will be required to perform labor duties at periodic intervals. The employee will be required to work both under supervision and unsupervised.

A complete job description and additional information is available at the Hill County Health and Planning Office in the Courthouse, and at Havre Job Service. All interested applicants are required to complete a standard application form. Applications can be picked up at the Hill County Human Resources Office at 315 4th St. Havre, MT.

Salary starts at \$18.06

Applications will be accepted until January 27, 2021
